

Axiom Education & Training Center

Axiom Education & Training Center Programs include the following:

- **Adult & Community Education**
 - Adult High School Diploma
 - HiSET (formerly GED) Preparation
 - HiSET (formerly GED) Testing
 - Adult Transition Services
 - MCTP College Transition Program
 - Work Ready (in conjunction with Maine Dept. of Labor)
 - Workforce training and/or retraining classes
 - Adult Literacy
 - Basic Skills (Academic and Technology)
 - English Language Learner (ESL) classes
 - Enrichment Classes
- **WorkReady State & National Certification**
 - Work Readiness Certificate (WorkReadyME Certification) (ACT National Career Readiness Certification) (NCRC). AETC is working on a WorkReady for High School students program that includes WorkReady at the high school (including College Transition services) a leadership program for teachers that introduce them to the employers (and available jobs) in the area.
- **Digital Literacy Training**
 - AETC's Digital Literacy Program is recognized state-wide, nationally and internationally. Classes are taking place in multiple locations throughout Maine. Over 4,000 hundred adult learners and 4000 businesses have taken classes over the last year to two.
- **Family Futures Downeast**
 - Family Futures Downeast is a collaborative effort between AETC and dozens of agencies and organizations on a local and national level. It is a program designed using the two-generation approach; that means we believe that we can help families in Downeast Maine overcome the barriers to success by assisting parents to attain core college credits at the same time as working with their children to prepare them for a positive learning environment.
- **CompTIA Classes**
 - Partnering with Thomas College, AETC offers college level IT/IS classes to 4 area high schools. Students have the opportunity to earn up to 12 college credits.
- **STEM Hub Downeast**
 - The Maine Math & Science Alliance designated the greater Machias areas as its 4th STEM Hub, and the most rural. The after-school program includes 3 school districts, 600-800 students ages 10-18.
- **Alternative Education/Credit Recovery**
 - AETC works with high schools and provides the academic classes for Career and Technical Education programs. Students attend "shop" classes in the morning and spend 5 afternoons at our location with a team of teachers.
