Please contact Gina Cooper Benjamin at Gina@digitalinclusion.org
for more information on becoming a sponsor.

The Net Inclusion conference has been a staple in the digital inclusion community since 2016, bringing hundreds of practitioners, advocates, academics, internet service providers, and policymakers together to share their knowledge and discuss:

- Local, state, Tribal, and federal policies impacting digital equity.
- Sources of financial and programmatic digital inclusion support.
- Digital inclusion best practices from across the country.

Your sponsorship is essential to keeping registration costs affordable and maintaining the staff time required to make Net Inclusion a well-curated experience for all attendees. Thank you.
